ARTISAN FRAMED ARTWORK

This amazing line of exquisite frames and Barnwood Rounds will transform your pet's portrait into a totally one-of-a-kind work of art. Hand-crafted by a small family business from reclaimed barnwood there are options for every home. From rustic frames that are full of country charm to frames that exude sophisticated elegance there is a frame to match your style and your dog's personality.

Just as your dog brings warmth and character to your home, these frames will add so much personality to your walls.

With high-resolution digital files, you'll be able to print what you want, when you want (for personal use only, please). Note that all clients receive complimentary social media files for any images purchased as artwork, but those files are too small for printing—you'll want the high-res files for that!
